### I. Reading and Approval of Minutes of Prior Meeting-

The commission reviewed the meeting minutes of the March 24, 2014 meeting and were approved by Commissioner Berger and seconded by Commissioner White.

### II. Communications –

1. Comm. Berger referenced an email sent to him from IFPCA Attorney John Broihier regarding the departments use of the current “Power “ testing that should not be used to screen applicants who are filing applications for an eligibility list. The testing would be a redundancy in efforts should the applicant be hired/appointed in the future.

### III. Unfinished Business –

There was no unfinished business to be discussed at this meeting.

### IV. New Business –

1. Chief Klahs briefly discussed the new “No Quota Bill” signed recently by the Governor of Illinois, which outlines the new criteria for specific police departments to follow regarding the department’s merit system and promotion guidelines. More information on how this will impact officers in both union and non-union departments within the State will be discussed in future meetings.
