

## 2015 Water Main Improvements

09/14/15

- Blue indicates area where \*water main has been installed.
- Red indicates location of where new water main is to be installed.
- Yellow indicates areas for driveway removal and \*\*culvert replacement.  
\*This section of water main is installed but is not in service. Testing will not be scheduled until after the water main has been installed on East Thornwood.  
\*\*Not every culvert on these roads will be replaced. Section of East Thornwood Drive marked in red for water main will also receive driveways and culverts.

### **A LOOK AHEAD**

Week of 9/14/15 – 9/21/15

- Lateral stub connections along Beck Road for future connections on Valley Drive, Carmen Court, Briar Lane, Sunset Drive, and Thornwood Drive.
- Culvert replacement will continue on Highland Drive, Bonner Lane, Ironwood Drive, Sunset Lane, and East Thornwood Drive
- Ditching will be performed on Highland Drive, Bonner Lane, Ironwood Drive, Sunset Lane, and East Thornwood Drive

**Every effort is being made to keep the dust down to a minimum and allow traffic to flow through the project. We appreciate your patience and understanding.**
