Speed Limit Change on Sand Lake Rd

Lindenhurst, Illinois –

Last month, the Village of Lindenhurst received information that the Lake County Board approved an ordinance that reduced the speed limit on Sand Lake Rd from 45mph to 40mph, in the area of Country Place. Additional warning signage is also in place to notify motorists of the pedestrian/bicyclist crossing at Sand Lake Rd and Country Place.

The Village of Lindenhurst would like to bring your attention to the reduced speed limit.

**SPEED LIMIT REDUCED FROM 45MPH TO 40 MPH ON SAND LAKE RD BETWEEN
COUNTRY PLACE AND ROUTE 45.**
