Lindenhurst Pavement Patching Program Set to Begin

Lindenhurst, Illinois – The Village of Lindenhurst will begin its annual pavement patching program beginning the week of May 15th; weather permitting. This is part of the Village’s annual efforts to repair and replace deteriorated sections of Village residential streets. This work consists of removing 4 inches of bituminous asphalt from the roadway and replacing with new bituminous asphalt to the same depth. This year Chicagoland Paving was awarded the work and will begin moving equipment in over the next 48 hours.

Some patch work will impact access to driveways and may be an inconvenience to the adjacent homeowner. This inconvenience will be temporary as the contractor will remove and replace the same day.

Roads are continuously evaluated and then prioritized for this contractual work. Although you may not see a location near you, throughout the summer Public Works will continue pavement patching at additional locations.

As with all construction projects a little dust and delay can be expected. We appreciate your patience and understanding. Below is a list of locations slated for repair this year. If you have any questions, please feel free to contact the Village at 847-356-8252.

210 Lake Shore Drive	2324 Springhill Lane	2317 Springhill Lane	2308 Greentree Court
