

Milburn By-Pass Update (10/11/18)

Construction Update – Work is progressing at the intersection of Independence Drive and new Route 45. The Rt. 45 (PC) Concrete pavement is in and Berger Construction's paving contractor is installing the new Independence asphalt pavement. After the paving is done, temporary pavement markings and signage will be installed in advance of the opening. Depending on weather it is anticipated Independence Blvd will reopen the week of October 15-19. Watch for the closure signs to be removed and please drive carefully as the roadway alignment has changed. Thank you for your patience and cooperation.
