

Independence Blvd

Independence Blvd is now open to traffic. Temporary street lighting at the Route 45 intersection has been installed by IDOT. The Village is coordinating with ComEd to install new lighting in the Independence median on the west side of the new intersection prior to opening of the new highway. The Village will continue to provide snow removal this winter.

Milburn Road – Grass Lake Road

Berger Construction continues to grade and prepare the road base for concrete pavement. The goal for this fall is to pour the new pavement west of Rt. 45 at Millburn Road into the new intersection and west on Grass Lake Road.

Below is a rendering of the proposed realignment of future Grass Lake Road. Beyond the new roadway sidewalks and a multi-use asphalt path will be installed as part of the project.
