

Milburn By-Pass Update (04/04/19)

### U.S 45 relocation at Haven

Haven looking east @ U.S.45

U.S. 45 @ Haven new alignment

Berger Construction has placed temporary concrete pavement along Haven Lane to construct U.S 45. They are also preparing the base for U.S. 45 at the southern limit of the project near the intersection of U.S. 45 and Country Pl. The relocation of Grass Lake Road from Heritage Rd. to U.S. 45 was opened a few weeks ago and the improvement at the intersection of Grass Lake Road and Heritage Dr. is in the early stages of construction.

Below is a rendering of the proposed realignment of Grass Lake Road. Beyond the new roadway, sidewalks and a multi-use asphalt path will be installed as part of the project. Route 45 will be concrete pavement and Millburn Road and Grass Lake Road will be asphalt pavement.
