

Grand Avenue Update 7/10/19

Berger Construction is continuing with the installation of the storm sewer and road base preparation along the South side of Grand Ave. Beginning on July 11, 2019 storm sewer pipe installation will begin at the intersection of Sand Lake Rd and Grand Ave. This work will involve the installation of large diameter storm sewer that will impact the flow of traffic within the intersection. This operation is scheduled to take 4 to 5 working days. Access to all driveways, residential properties as well as businesses, will stay open throughout the construction.
