

Berger Construction is scheduled, weather permitting, to relocate traffic onto the newly constructed southside of Grand Ave from Munn Road to Lindenhurst Dr./Granada Blvd. tomorrow, Friday October 4, 2019. If weather prevents the change on Friday it will occur on Saturday October 5, 2019. Please use caution during this transition. The remainder of the project Lindenhurst Dr./Granada Blvd to the eastern limits, will keep the present traffic lane configuration.
