

## 50/50 CULVERT REPLACEMENT PROGRAM

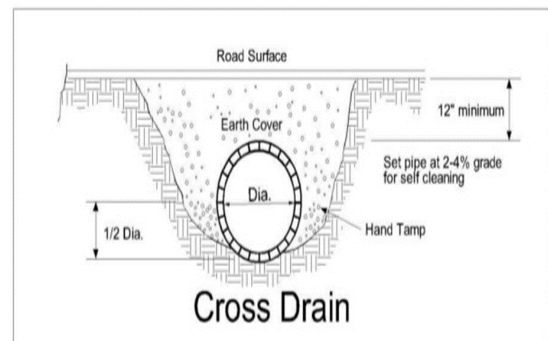

Take advantage of the Village's 50/50 culvert replacement program, which helps reimburse residents who are replacing their culvert:

- Eligible residents will be reimbursed 50% of the cost of construction materials up to \$750
- Residents must complete and submit the culvert replacement form online
- Residents must also submit a receipt of all itemized materials to Village Hall for reimbursement
- First come, first serve basis as budgeted funds are available
- Construction must be completed in 30 days after application approval in order to receive funding

### Specifics of Culvert Replacement:

- Minimum length of culvert is 20 feet
- Replacement Culvert diameter must match current existing size or larger
- If resident is unable to upsize culvert due to volume of water, dual culverts can be installed
- Elliptical pipe (squash pipe) can be installed in order to meet minimum coverage requirements
- End sections are recommended but not required
