Lindenhurst Homicide Investigation

On February 15, 2022, at approximately 4:00 p.m., Lindenhurst Police Officers were assisting Algonquin Police Officers with a missing person investigation, which resulted in the missing person being found deceased in a residence in the 0-100 block of Beck Road, Lindenhurst.

Algonquin Police were investigating a missing 25-year-old woman, who had not been seen since Sunday, February 13, 2022, leaving her Algonquin residence on Yosemite Parkway. The woman was last known to be going to her 25-year-old boyfriend's residence in the 0-100 block of Beck Road, Lindenhurst.

On February 14, 2022, the woman's family became aware that the woman's boyfriend was involved in a head-on fatal crash, in the area of Bates Road and Freeport Road, near Rockton, in Winnebago County. The boyfriend and other driver in the crash were killed, but the woman was not with him.

The woman's family reported her missing to Algonquin Police Department. The woman's vehicle was found in the driveway of her boyfriend's home on Beck Road and Algonquin Police Officers obtained a search warrant to search the residence. At approximately 4:00 p.m. today, Algonquin Police Officers and Lindenhurst Police Officers entered the residence and found the woman deceased. The woman appears to have sustained significant blunt force trauma.

Due to the nature of the incident, the Lindenhurst Police Department requested the assistance of the Lake County Major Crime Task Force. The Lake County Coroner's Office responded to the scene and are in the process of scheduling an autopsy.

Lindenhurst Detectives, Algonquin Detectives, and Major Crime Task Force Investigators continue to actively investigate the incident. This appears to be an isolated incident and there is no threat to the community.
